CVC TRAIL RATINGS

1 Easy
Trail is generally flat with wide turns, and may have some gently rolling sections. Surface is firm and stable. Obstacles such as tree roots and rocks are few and avoidable, with minimal to no use of stairs. Some experience recommended.

2 Moderate
Trail has some short, steep rises with sharp turns. Surface is generally hard-packed and may include some sections with loose material. Unavoidable obstacles and some stairs may be present. Some experience recommended.

3 Difficult
Trail has long, steep climbs and turns. Surface is generally hard-packed and may include some sections with loose material or unstable surface. Unavoidable obstacles and stairs are likely present. Some experience recommended.

4 Strenuous
Trail has long, steep climbs and turns. Surface is generally hard-packed and may include some sections with loose material or unstable surface. Unavoidable obstacles and stairs are likely present. Some experience recommended.

Assigned trail ratings are a guideline only. Users must assess their own technical ability in combination with their own equipment to make a choice to enter onto any trail on the property.
